

PATIENT CARE CONSENTS AND AUTHORIZATIONS

Abode Care Partners, a company of licensed physicians, nurse practitioners, other professionals, along with independent third-party collaborative partners, offer medical services to patients in their respective place of service.			
Consent to Medical Treatment & Assignment of Benefits			
(Patient), give permission to Abode Care Partners (ACP) to give patient medical treatment including but not limited to exams, diagnostic tests, and medication. I understand that Patient will be cared for in accordance with the plan that Patient's physician(s) deem appropriate, and that I have the right to revoke this consent and/or refuse medical treatment for patient at any time. I authorize ACP to bill Patient's insurance for medical services provided to patient, which ACP is authorized to bill. I authorize release of medical information necessary to process all medical insurance claims. I understand that I must pay my share of costs for the care I receive such as co-payments or deductibles, or if I do not have insurance.			
Care Management Services ACP provides services to help manage ongoing chronic health conditions. These services may include Chronic Care Management (CCM), Remote Patient Monitoring, and Advanced Primary Care Management (APCM). These services include access to a care team, comprehensive electronic plans of care, management of transitions and other care management services which can include sharing health information with other providers. I understand that only one provider can furnish and bill CCM/APCM services during the calendar month. As with other medical services there may be cost sharing responsibilities such as co-payments or deductibles. I understand that Patient has the right to stop services at any time by notifying a member of the ACP team.			
I consent to receive these services, if needed.			
Telehealth Services			
I understand that certain services are offered via telehealth and that anyone virtually or physically present during a telehealth service with patient may receive Patient's personal health information. I understand that Patient can stop using telehealth services at any time by notifying a member of the ACP team.			

I consent for patient to participate in and receive medical care through Telehealth.

Advanced Dictation

		and the control of th	
and ar	mbient scribing) tools to assist wit	ealthcare provider will use advanced dictation (artificial intelligence h documenting my medical information. This advanced dictation conversation to generate clinical notes, which the provider will review	
	,	ecord. I consent to the use of this advanced dictation tool and ormation will be handled securely.	
	I consent to the use of advanced	dictation during my medical visits with ACP.
